

POTTSTOWN COMMUNITY YOUTH MISSION WEEK
FREE HOME REPAIR HELP
FOR QUALIFYING HOME OWNERS
Friday, July 24- Monday, July 27, 2015

Christian teenagers from local community churches will be working in the Pottstown area **July 24-27, 2015**. This is our 10th year of providing this service in our community. These young people and their adult leaders will perform voluntary home repairs for residents who, because of income, age and/or disability, cannot do the work themselves. Eligible repair projects may include:

- *Interior Painting
- *Weatherization
- * Yard work
- *Exterior painting
- * Minor home repairs
- * Clean out a garage/basement

Both labor and materials will be free to qualifying households.

The work will be done by teams of approximately 5 young people and 2 adult leaders, members of church youth groups from Pottstown area churches. These volunteers hope you can be home as much as possible during their stay, so they can get to know you.

To learn how your home might be included, detach and return the application to: Youth Mission Week, c/o Kate Hoffman, Trinity Reformed United Church of Christ, 60 N Hanover St, Pottstown, Pa. 19464. Or for further information call 610-326-2243. *APPLICATIONS WILL BE CONSIDERED UNTIL THE CAMP IS FULL*. We also help non-profit agencies. Contact us to see if your agency qualifies.
